## Footprint Bird Craft

Tell children that they're going to make a dove painting to remind them that Jesus wants us to follow in His footsteps to be baptized too.

Help children follow these steps:

- Take off one shoe.
- Have an adult paint the bottom of the child's foot.
- Place your footprint in the center of the paper.
- Wipe the paint off the child's foot.
- While the paint is drying, help the child draw the dove's beak, breast, and feet.
- When the paint is dry, add a small dot for the dove's eye.

Encourage children to take their dove painting home and tell what happened when John the Baptist baptized Jesus.
